

Energy. Health. Vitality.

Take Control
Of Your Health!
Greska's Carbon-60

Health Performance

Supports Healthy Aging

Supports many cellular functions for healthy living and athletic performance.

Whole Body Detox

Supports A Healthy Immune Response

Carbon 60 neutralizes toxins at the cellular level.

Oxidative Stress

Stabilizes Free Radicals

Carbon 60 has the ability to share electrons, thereby reducing free radicals and oxidative stress.

— WHAT IS GRESKA'S CARBON-60 —

Greska's Carbon-60 is a carbon-based dietary supplement. It is odorless and virtually tasteless. It can be taken orally or applied topically on your skin for **healthy aging, increased energy, and mind clarity.** [1]

Carbon-60 activates your natural antioxidant response and detoxifies the whole body. It supports the productivity of many cellular functions for healthy living, including **reducing inflammation, healthy joints,** and helps prevent **viruses and the flu.**[1]

The active ingredient is Carbon 60 molecules, which act like a super antioxidant that provides electrons to stabilize free radicals (disrupted cells) in your body and to neutralize toxins. Our Carbon-60 oil is highly concentrated. You only consume **1/8 teaspoon (2/3 mL) per serving.** There are no known negative interactions or contraindications of Greska's Carbon-60 with any medications.

Greska's Carbon 60 is **third-party tested, verified to be 100% solvent-free,** Food-Grade Carbon 60 supplement. [1]

— HOW IT WORKS —

Health experts agree that excessive free radicals and toxins are recognized as significant contributors to many health issues and are responsible for aging. These electron-deficient molecules impair healthy bodily functions by stealing electrons from neighboring healthy cells, causing a chain reaction of disruptive oxidative stress.

Greska's Carbon-60™ molecules provide these missing electrons, thereby **protecting against this damaging oxidative stress** and neutralizing electron-deficient toxins, supporting healthy cell function.

— BENEFITS OF SUNFLOWER OIL —

Sunflower oil is rich in vitamin E and contains vitamins A, C, and D and fatty acids that act as antioxidants to regenerate new skin cells and effectively treat acne. Linoleic acid protects the skin against bacteria and germs. The vitamin E and oleic acid in Carbon-60 sunflower oil can help **reduce the appearance** of fine lines and wrinkles in your face. Sunflower oil has **anti-inflammatory** properties that can help lower skin redness and roughness. [1]

— WHY BUY GRESKA'S —

Our exclusive Ultra Clean Carbon-60 conversion process produces the only Food-Grade Carbon 60 in the world. We Nano-Blend™ our Carbon 60 powder into highly filtered, non-GMO, cold-pressed, organic sunflower oil in our Certified Good Manufacturing Practices facility. We pack and ship all our orders from our own fulfillment facility in Littleton, Colorado.

— How To Use —

Oral Use: Greska's Carbon-60 can be taken orally, directly into the mouth, with or without food; mornings are preferred. A 45-day supply comes in a one-ounce (30mL) dropper bottle.

The serving size is two-thirds a milliliter (2/3 mL) or 1/8 teaspoon once a day. Give the rubber dropper one good squeeze; this should fill the glass pipette just over half full for one serving.

Topical use: Apply a few drops on your skin.

Ex: 4 drops will cover the back of your hand.

There are 30 drops in a 1/8 teaspoon serving.

Topical Roll-On: Roll product on your skin.

24-Day and Trial Size: Five squirts per day.

Pet Applicator: Squirt on food. See chart.

Pet Weight Chart

0-15 lbs	1 squirt
15-35 lbs	2 squirts
35-60 lbs	3 squirts
60-100 lbs	4 squirts
+100 lbs	5 squirts

— WHY CARBON 60 —

Greska's Carbon-60 powder conversion process is the ONLY C60 conversion process to produce clean a Carbon 60 in a nano-size, spherical, non-crystalline form that makes it very effective and highly bio-available.

Greska's Carbon-60 stimulates a beneficial antioxidant response; the **breakthrough** here is that Greska's Carbon-60 is more than 200,000 times smaller than the antioxidants found in foods like red wine, berries, and dark greens, making them vastly more bio-available and more effective.

Greska's Carbon-60 is small enough to enter the cell where many toxins are trapped. The Carbon-60 molecules very readily penetrate the skin, muscles, ligaments, bones, and organs to work at the mitochondrial level in each cell and support a healthier you at the cellular level.

— How To ORDER —

Call us today: 720-600-6040 Visit our web site: www.C-60.com

We have free U.S. Postal Service shipping in the USA, typically arriving within three business days and we ship internationally by FedEx.

“Order Today! I guarantee, for your health,

you will be glad you did.” *Bob Greska*

Independent third-party laboratories have tested Greska's Carbon-60 to verify the quality, presence, and lack of contaminants in our Carbon-60 powder. ([1]www.C-60.com/certs/).

Allergen Warning: Our bulk oil is processed in a facility that produces peanut oil.
